SAVE THE DATE FOR NASU 2019!

**October 2-4, 2019
Charlotte, NC**

To Our Valued Customers,

Please save the date for Keystone's annual users' conference ("NASU" or National Association of Software Users conference), which we are planning in beautiful Charlotte, North Carolina!

We will send a link for conference/session registrations in August, but for now, we want to ask you for a quick reply on the following survey, so we can get an idea of anticipated turnout in each of our software products, and any particular topic requests.

After reviewing the information in this email, please answer this brief survey: [NASU 2019 Survey](#).

The room block is now open with our conference venue: **Embassy Suites by Hilton,**

Charlotte Uptown. Please use the link below to reserve your room. The room block will be removed on September 3 (and we will be subject to higher rates and possibly no vacancy after that time). You may cancel your lodging reservation with 48 hours advance notice, with no penalty.
